Handbook for achieving gender equity through education / Susan S. Klein, general editor.

2nd ed. Mahwah, NJ : Lawrence Erlbaum Associates, c2007.

Xxix, 732 p. : ill. ; 28 cm.

NOTE The essential reference work concerning gender equity in education. This new, expanded edition provides a 20-year retrospective of the field, one that has the great advantage of documenting U.S. national data on the gains and losses in the efforts to advance gender equality through policies such as Title IX, the landmark federal law prohibiting sex discrimination in education, equity programs and research. A discussion of nontraditional careers by gender and gender equitable opportunities available today, gender equity is addressed with an emphasis on education and advising.
