

Invitation for Bid #20-04

Amatrol Tabletop
Mechatronics Learning
System for Industry 4.0

RELEASED:

November 26, 2019

SEALED BIDS DUE BY:

December 23, 2019 2pm (EST)

DELIVER TO:

Cape Cod Community College
Attn: Alena Volynkina, Procurement Department
Nickerson Administration Building - RM115B
2240 Iyannough Road
West Barnstable, MA 02668

Section 1: Scope of Bib Request

1.1 Purpose

Cape Cod Community College (CCCC) is an accredited, public two-year institution serving Cape Cod, Nantucket, Martha's Vineyard and areas of southeastern Massachusetts. The main campus is located in West Barnstable, Massachusetts. The College consistently provides an affordable education close to home to a diverse student population, serving over 6,907 individuals each year. The College currently offers 39 Associate in Arts and Science degrees and 49 career-building academic certificates in a variety of program areas.

CCCC is seeking an Amatrol Inc. portable, durable, affordable tabletop training system that forms a fully automated line to teach real-world mechatronics industry 4.0 smart factory skills. This Amatrol learning system should feature a pick-and-place, gauging, and inventory station, including support for teaching Barcode, RFID, Smart Sensors, PLC troubleshooting, and I/O links. The mechatronics learning system shall include student curriculum designed in a skill-based format that focuses on teaching mechanical, robotic, and electrical industry-relevant mechatronics knowledge and processes.

1.2 Product Specifications

The specifications for the tabletop training system being requested as part of this IFB are detailed in the table below. Delivery, installation and warranty requirements are also provided.

Item Description and Inclusion Requirements	Quantity
Flexible Workstation Package III Amatrol Robotics Workstation Must Include: (1) 88-200 Flexible Workstation; (1) Controller Mounting Module; (1) Network/Computer Mounting Module; (1) Utilities Distribution Module; (1) 88-205 Electrical Power Module; (1) Compressed Air Distribution Module.	2
Tabletop Mechatronics PLC Learning System - AB Micro820 Must Include: (1) Allen-Bradley Micro820 Programmable Controller, (12) 24 V DC Inputs, (7) Relay Outputs, (1) DIN Rail Mount, (1) EtherNET/IP port, (1) Ethernet Communications Cable, (1) RS232/485 port, (1) Connected Components Workbench (CCW) Software DVD; (1) M25050 Student Curriculum - Interactive PCBased Multimedia; (1) C25050 Instructor's Guide; (1) K25050 Instructor's Resource Print CD; (1) D25050 Installation Guide; (1) H25050 Student Reference Guide.	6

<p>Inventory Station - Tabletop Mechatronics</p> <p>Must Include: (1) Table Top Slotted Surface Workstation; (1) PLC Simulator and Electrical Distribution Operator Station; (1) 24 VDC power supply; (1) Powered Feed Module; (1) 2-axis Pick and Place Robot with vacuum pickup; (1) vacuum generator; (1) vacuum sensor; (3) Actuator Position Sensors; (1) storage bin (1) Parts Set; (1) Pneumatic filter/regulator</p>	2
<p>Inspection Station – Tabletop Mechatronics</p> <p>Must Include: (1) Table Top Slotted Surface Workstation; (1) PLC Simulator and Electrical Distribution Operator Station; (1) 24 VDC power supply; (1) Stepper Motor Module; (1) Rotary Index Table; (1) Stepper Motor Controller; (1) Stepper Motor Control Programming Software; (1) Cable; (1) Parts Reject Chute; (2) Parts Presence Sensors; (1) Fiber Optic Fork Gauging Sensor; (1) Parts Set; (1) 3-Color Stacklight.</p>	2
<p>Distribution Station – Tabletop Mechatronics</p> <p>Must Include: (1) Table Top Slotted Surface Workstation; (1) PLC Simulator and Electrical Distribution Operator Station; (1) 24 VDC power supply; (1) Variable Speed Belt Conveyor; (1) Conveyor Motor Control Relay; (2) Rotary Electrical Actuator Modules; (3) Parts Diverter Arms; (2) Photoelectric Parts Sensors; (2) Parts type detection sensors; (3) Parts Storage Chutes; (1) Parts Set.</p>	2
<p>Stepper Motor Programming Package - Tabletop Mechatronics</p> <p>Must Include: (1) Stepper Motor Programming Software; (1) USB Converter; (1) D25041 Installation Guide.</p>	2
<p>Tabletop Mechatronics Smart Factory Ethernet Learning System – AB Micro820</p> <p>Must Include: (1) 24-port Unmanaged Ethernet Switch; (1) 8-Port Managed Ethernet Switch; (1) Cabling Set; (1) Ethernet Hardware Set; (1) M33574 Student Curriculum - Interactive PCBased Multimedia; (1) C33574 Instructor's Guide; (1) K33574 Instructor's Resource Print CD; (1) D33574 Installation Guide; (1) H33574 Student Reference Guide.</p>	2
<p>Smart Factory Visual Communications Learning System - Allen-Bradley (PS)</p> <p>Must Include: (1) Web-Access Visual Communications Software; (1) Mobile App Download; (1) Year Cloud Hosting; (1) M33755 Student Curriculum - Interactive PC-Based Multimedia; (1) C33755 Instructor's Guide; (1) K33755 Instructor's Resource Print CD; (1) D33755 Installation Guide; (1) H33755 Student Reference Guide.</p>	2

<p>Tabletop Smart Factory RFID/Sensors Learning System, AB L16 Must Include: (1) Tabletop Slotted Surface Workstation; (1) RFID Read Station; (1) Smart Photoelectric Sensor; (1) Smart Analog Pressure Sensor; (1) IO LinkMaster; (1) Conveyor; (1) Motor Contactor; (1) Cabling Set; (1) M25155 Student Curriculum - Interactive PC-Based Multimedia; (1) C25155 Instructor's Guide; (1) K25155 Instructor's Resource Print CD; (1) D25155 Installation Guide; (1) H25155 Student Reference Guide.</p>	2
<p>Tabletop Smart Factory Barcode Learning System Must Include: (1) Barcode Reader; (1) Ethernet Interface Module; (1) Adjustable Mounting Fixture (1) Cabling; (1) Barcode Label Set; (1) M33572 Student Curriculum - Interactive PC-Based Multimedia; (1) C33572 Instructor's Guide; (1) K33572 Instructor's Resource Print CD; (1) D33572 Installation Guide; (1) H33572 Student Reference Guide.</p>	2
<p>990-PABCL1F Portable PLC Troubleshooting Learning System – AB CompactLogix Must Include: (1) Allen-Bradley L16 Processor; (1) Fault Controller; (1) 11164 Amatrol FaultPro Software; (16) Digital Inputs (24VDC); Digital Outputs; (1) HMI Panel; (1) 24VDC Power Supply; (1) Built-in Power Supply; (1) I/O Simulator Console; (1) Application Panel; (1) Mobile Carrying Case with Workstation Mounting Panel; (1) USB Cable; (1) M40087 Student Curriculum - Interactive PC-Based Multimedia; (1) C40087 Instructor's Guide; (1) K40087 Instructor's Resource Print CD; (1) D40087 Installation Guide; (1) H40087 Student Reference.</p>	2
<p>RS Logix 5000 Mini PLC Programming Software - 1 Seat License, EDUCATION ONLY Must Include: (1) Seat License.</p>	2
<p>Tabletop Smart Factory Manufacturing Execution Learning System, AB (PS) Must Include: (1) Web-Access Manufacturing Execution Software; (1) Year Cloud Hosting; (1) M33575 Student Curriculum - Interactive PCBased Multimedia; (1) C33575 Instructor's Guide; (1) K33575 Instructor's Resource Print CD; (1) D33575 Installation Guide; (1) H33575 Student Reference Guide.</p>	2
<p>Cloud Hosting Must Include: Year of cloud hosting per organization site.</p>	2
<p>Air Compressor Must Include: compressor, tank, 5 hp, 1 ph, 115 VAC, 60 Hz direct drive motor, dual gauge regulator, 20 gal. tank, 4.5 CFM@125 psi, thermal overload, power cord, safety valve, air hose. Requires customer-supplied compressed air conditioning.</p>	2

<p>eLearning Library Subscription Amatrol Main Library - 4 Months, Entire Library, 1 Person Must Include: (1) 4-month subscription for one person to the Amatrol Main Library (which includes Industry 4.0 Fundamentals) on learnamatrol.com. As available, courses may be used with Amatrol equipment-based content, without associated hardware, or both.</p>	30
<p>Engineering Services Start-Up and Installation – Mechatronics Please Include: Travel expenses, meals, hotel and per diem for technician. The technician shall assemble, connect and ready the system for use. The system will then be demonstrated to customer personnel as a final acceptance. The customer shall be expected to supply all utilities and connections to the machines; truck unloading, uncrating and location of all shipments to room where system is to be set up; and assistance to the Amatrol technician, when necessary, for lifting of equipment.</p>	1

Delivery and Installation

Delivery to the College by **April 15, 2020**. Installation, connection, demonstration to CCCC personnel and user acceptance to be completed no later than **June 1, 2020**.

Warranty Requirements

Service and Warranty Terms: Unless otherwise specified or negotiated and accepted by both the successful bidder and the department, this contract will assume the following warranty: Equipment must include a minimum written warranty of one (1) year parts and one (1) year labor or the manufacturer’s warranty (whichever is greater) from the date of final acceptance. Final acceptance date is the date when setup, configuration, calibration and verification of the Amatrol Tabletop Mechatronics Learning System for Industry 4.0 occurs and on-site integration of the equipment with a customer supplied computer has been completed and satisfactory operational performance achieved. In addition, the contractor shall pay for freight charges for all items that are returned under warranty. All service is to be performed by Manufacturer Authorized Service technicians, with a response time to formulate a plan to address the concern of no more than 48 hours, if applicable.

Alternatives

A response that fails to meet any material term or condition of the IFB, including the submission of required forms may be deemed unresponsive and disqualified. Unless otherwise specified, bidders may submit responses proposing alternatives that provide equivalent, better or more cost effective performance than achievable under the stated IFB specifications. These alternatives may include related commodities or services that may be available to enhance performance during the period of the contract. The response should describe how any alternative achieves equivalent or better performance to that of the IFB specifications.

The College will determine if a proposed alternative method of performance achieves equivalent or better performance. The goal of this IFB is to provide the best value of commodities and services to achieve the procurement goals of the department. Bidders that propose discounts, uncharged

commodities and services or other benefits in addition to the IFB specifications may receive a preference under this IFB.

Bidders may also propose alternatives for equivalent, better or more cost-effective performance than specified under the bidder's original response to enable the department to take advantage of enhanced technologies, commodities or services that become available during the term of the contract.

Section 2: Submission Requirements

This IFB document is available on CommBuys.com and on the CCCC procurement website. All questions to this IFB should be addressed directly to CCCC as described below.

2.1 Schedule of Events

Listed below are the key dates for the IFB process.

IFB Action:	Due Date / Time (EST)
CCCC issues IFB	November 26, 2019 by 5pm
Bidder Questions Due	December 9, 2019 by 2pm
CCCC will Respond to Questions	December 12, 2019 by 5pm
Sealed IFB Responses Due	December 23, 2019 by 2pm
Notification of Award on or before	January 15, 2020 by 5 pm
Fully Executed Agreement on or before	January 29, 2020

If, at the time of the scheduled proposal deadline, the college is closed due to uncontrolled events such as fire, snow, ice, wind, or building evacuation, the proposal deadline will be postponed until 2:00 p.m. on the next normal business day. Bids will be accepted until that date and time.

2.2 Vendor Questions and Requests for Information

All vendor inquiries concerning this IFB must be submitted by email no later than **December 9, 2019, 2:00pm (EST)** to:

Alena Volynkina
procurement@capecod.edu

Email subject for questions or inquiries should be "IFB # 20-04".

Vendors may email the contact person at procurement@capecod.edu, for this IFB in the event this IFB is incomplete or the vendor is having trouble obtaining any required attachments electronically through COMMBUYS. CCCC reserves the right to determine, at its sole discretion, the appropriate and adequate responses to comments, questions, and requests for clarification. Should the bidder find discrepancies in or omissions from the specifications, or shall be in doubt as to their meaning, he/she shall at once notify the College Procurement Office email.

Any material changes to this IFB shall be communicated by Addenda, via email, from the Procurement/AP Manager to all known IFB document recipients. The College is not

responsible for issuing Addenda to unknown IFB document recipients who may have received the specifications from a third party, and assumes no liability that arises based on specifications not delivered by the College.

Bidders shall not, under any circumstances, contact (directly or indirectly) any other person within the College in regards to this IFB. No other individual employee or representative is authorized to provide any information or respond to any question or inquiry concerning this IFB. All material communications between CCCC Procurement Office and potential respondents shall be in writing, as provided in this IFB. The College will not be responsible for any oral instructions.

2.3 Required Forms

Bids must be submitted on the forms provided by the College. All necessary forms are attached to this IFB. Respondents who do not include **all completed forms** in their proposals will be considered non-responsive. The required forms are as follows:

- 1) Attachment A: Bidder Information Form
- 2) Attachment B: Tax Compliance Certificate
- 3) Attachment C: Certificate of Non-Collusion
- 4) Attachment D: Debarment and Suspension Certification
- 5) Attachment E: References: Each vendor must provide two (2) references from organizations that are currently using this learning system product, preferably from institutions of higher education. References will be checked. NOTE: Poor references may be a basis for a determination that the vendor is not a responsible proposer.
- 6) Attachment F: Price Proposal Form

2.4 Submission Procedure

Bids must be submitted on the forms supplied by the College for receipt **NO LATER THAN December 23, 2019 at 2pm (EST)** at which time the Chief Procurement Officer (or his/her designee) will open the bids.

Mail or deliver bids, sealed and noting "IFB 20-04 Amatrol Tabletop Mechatronics System for Industry 4.0" to:

Cape Cod Community College
Attn: Alena Volynkina, Procurement Department
Nickerson Administration Building - RM115B
2240 Iyannough Road
West Barnstable, MA 02668.

No fax or email responses will be accepted. No late submissions will be accepted. No incomplete bids will be considered.

Prices quoted must be available for acceptance for at least sixty (60) days after the proposal opening date unless otherwise noted in your bid.

This IFB does not commit CCCC to pay any costs incurred in the preparation of a vendor's response to this IFB, or to procure or contract for procurement.

Section 3: Bid Award Procedures

The College shall award this contract to the responsive and responsible bidder offering the lowest price for **all** items requested in accordance with the specifications of this IFB. The College may, at its option, request further information from a bidder and conduct independent research into the qualifications of a bidder.

CCCC reserves the right to accept or reject any and all bids received as a result of this IFB, to negotiate with any and all qualified vendors and to cancel, in part or in its entirety, this IFB if it is in the best interest of CCCC or the Commonwealth to do so.

Upon notification of the award, the awarded vendor shall execute the Commonwealth of MA Standard Contact Form, W-9 Taxpayers ID form, and Commonwealth Terms & Conditions within 10 business days of receipt of notification of the award from the College. If the awarded vendor fails to provide the aforementioned requested documents by the deadline, CCCC may determine that the vendor is non-responsive to the terms of this IFB and reject the bid. If CCCC determines that the apparent lowest price bid is non-responsive and rejects the bid, the remaining responsive bids will be reviewed to determine the new bidder with the lowest price.

Section 4: Additional Terms and Conditions

- 4.1 Commonwealth Terms and Conditions:** The department is not obligated and should not complete, sign or execute any vendor's contract or other terms and conditions. It must be clearly understood that the Commonwealth Terms and Conditions supersede any contractor or vendor contract, invoice or other terms and conditions. If, by chance, any said contractor or vendor contracts, invoices or other terms and conditions are signed, it is immediately considered void.
- 4.2 Public Records:** All responses and information submitted in response to this IFB are subject to the Massachusetts Public Records Law, M.G.L., Chapter 66, Section 10, and to Chapter 4, Section 7, Subsection 26. Any statements in submitted responses that are inconsistent with these statutes shall be disregarded.
- 4.3 Costs:** Costs that are not specifically identified in the bidder's response, and accepted by a department as part of a contract, will not be compensated under any contract awarded pursuant to this IFB. The Commonwealth will not be responsible for any costs or expenses incurred by bidder responding to this IFB.
- 4.4 CommBuys:** This IFB has been distributed electronically using the CommBuys system. Bidders are solely responsible for obtaining and completing the required attachments that are identified in this IFB and for checking CommBuys for any addenda or modifications that are subsequently made to this IFB or attachments. The Commonwealth and its subdivisions accept no liability and will provide no accommodation to bidders who fail to check for amended IFBs and submit inadequate or incorrect responses. Bidders are advised to check the CommBuys posting after the responses to questions have been posted to ensure that they have the most recent information. Bidders may not alter (manually or electronically) the IFB language or any IFB activity files. Modifications to

the body of the IFB, specifications, terms and conditions, or that change the intent of this IFB are prohibited and may disqualify a response.

- 4.5 Subcontracting Policies:** Prior approval of the department is required for any subcontracted service of the contract. Contractors are responsible for the satisfactory performance and adequate oversight of its subcontractors. Subcontractors are required to meet the same state and federal financial and program reporting requirements and are held to the same reimbursable cost standards as contractors.
- 4.6 Indemnification:** Unless otherwise exempted by law, the contractor shall indemnify and hold harmless the State, its agents, officers and employees against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement or other damages that the State may sustain which arise out of or in connection with the Contractor's performance of a Contract, including but not limited to the negligence, reckless or intentional conduct of the contractor, its agents, officers, employees or subcontractors. The Contractor shall at no time be considered an agency or representative of the Department or the State. After prompt notification of a claim by the State, the Contractor shall have an opportunity to participate in the defense of such claim and any negotiated settlement agreement or judgment. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph. Any indemnification of the Contractor shall be subject to appropriate and applicable law.
- 4.7 Non-Discrimination in Employment:** The Contractor shall not discriminate against any qualified employee or applicant for employment because of race, color, national origin, age, sex, sexual orientation, gender identity, religion, genetic information maternity leave, military service, marital status or disability. The Contractor agrees to comply with applicable federal and state statutes, rules and regulations prohibiting discrimination in employment, including Title VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act of 1967, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, Massachusetts General Laws, Chapter 151B and all administrative and executive orders, where applicable.
- 4.8 Payment:** Invoices should be sent to the Accounts Payable Department after the delivery or service performance. Invoices should be mailed to Accounts Payable at 2240 Iyannough Road, West Barnstable, MA 02668. Reimbursements will be made solely based on actual expenditures, and itemized lists of reimbursement charges must accompany all invoices. Invoices shall be date stamped when received by the AP department.
- 4.9 Non-collusion:** Respondents certify that submitted cost proposals are arrived at independently and without consultation, communication, or agreement with any other contractor, vendor, or potential vendor. Respondents further certify that cost proposals are made without previous understanding, agreement, or connection with any person, firm or corporation making a proposal for the same item(s) and is in all respects fair, without outside control, collusion, fraud, or otherwise illegal action. Respondents agree that no member of the firm's ownership, management or staff has a vested interest in any aspect or department of Cape Cod Community College. Any or all proposals will be rejected if there is reason to believe that collusion exists between proposers, and

respondents understand that any misstatement in this affidavit is and shall be treated as fraudulent concealment of the true facts relating to submission of cost proposals under this IFB.

4.10 Debarment: Respondents certify, to the best of their knowledge and belief, that the firm and its principals:

- a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal or state department or agency;
- b. have not within a three (3) year period preceding this Contract been convicted of, or
- c. had a civil judgment rendered against them from commission of fraud, or a criminal offense in connection with obtaining or attempting to obtain, or performing a public (Federal, State or Local) transaction or grant under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property; are not presently indicted for or otherwise criminally or civilly charged by a government entity (Federal, State, or Local) with commission of any of the offenses listed in section b. above; and
- d. have not within a three (3) year period preceding this Contract had one or more public transactions (Federal, State, or Local) terminated for cause or default.

4.11 Contract Termination: The College reserves the right to amend or terminate the contract in whole, or with any number of contractors, with or without cause, at any time, without prior notice and upon any time felt necessary by the department. Contract may be canceled at any time based on funding availability and responder performance.

4.12 Vendor Requirements Upon Award: The Awarded Contractor shall execute the Commonwealth of MA Standard Contract Form, W-9 Taxpayers ID form, and Commonwealth Terms and Conditions within 10 working days of receipt of notification of award from the College.

(Name of business)

**Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion
Lower Tier Covered Transactions
(Executive Orders 12549 and 12689)**

As required by 2 CFR 200 Section 200.326 : For all contracts the non-Federal entity (CCCC) shall obtain from the contractor a certification that neither the contractor nor any of its principal employees are listed on the General Services Administration's List of Parties Excluded from Federal Procurement or Nonprocurement Programs.

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled .Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transactions, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.
